Attention of the Secretary.

Dear Sir:

We would be glad to be of service to you in engrossing such resolutions of condolence as your Board of Trustees may adopt for presentation to the family of your late Member, Mr. John Isaac Waterbury.

For many years we have served organizations throughout the city. We enclose a folder which we believe you will find helpful.

The writer will be glad to call with specimens of our work. May we not have the pleasure of hearing from you?

Sincerely yours,

DENNIS AND BAIRD.
